Experiential Learning Theory Bibliography

Volume 1
1971-2005

Prepared by Alice Kolb & David Kolb

The bibliography contains references on experiential learning theory from 1971-2005. The updated list has 2235 entries. The bibliography gives a complete listing by author from 1971 to 2005. The bibliography is in PDF and formatted in APA style. Many research studies listed in the bibliography can be accessed through research databases such as: Social Science Citation Index, MEDLINE, Education Abstract, Dissertation Abstract, ERIC Document, Google Scholar and others. For online access to the bibliography, the Learning Style Inventory and other experiential learning resources go to www.learningfromexperience.com or www.hayresourcesdirect.com. Please send any additions and corrections to dak5@msn.com Revised 2/27/08.
